

High Voltage Product Lines

- Surface Mount Multilayer Ceramic Capacitors up to 7.2KV
- Leaded Multilayer Ceramic Capacitors up to 5KV
- Power Film Capacitors up to 5KV
- Custom Designs Available

- Multilayer Ceramic Capacitors up to 10KV
- Ceramic Disc Capacitors up to 20KV
- NPO, X7R, Z5U, X5R, X5U Dielectrics
- Negative TC Low Loss Dielectrics
- Single Layer Capacitors
- -55°C to +200°C Operating Temperature Range
- DSCC Released High Voltage Capacitors
- Custom Designs Available

- High Voltage Mica Capacitors
- High Voltage Mica/Mylar Capacitors
- High Voltage Pulse Discharge Capacitors
- Voltages up to 60KV
- -55°C up to +260°C Operating Temperature
- Custom Designs Available
- Molded Capacitor Assemblies

- High Power Low Inductance Bus Bars
- Multilayer Bus Bar Assemblies
- Military and Commercial Applications
- Multilayer Bus Bar Assemblies
- Powder Coated Bus Bars
- Bus Bar System Integration
- Rapid Prototyping and 3D CAD/Modelling

- High Voltage Resistors up to 96KV
- Non Inductive Low and High Voltage Resistors
- Precision Resistors
- High Pulse Load Resistors
- High Power Non Inductive Resistors
- Precision Voltage Dividers
- Low TCR (5PPM) High Voltage Resistors

- Hermetic Sealed High Voltage Avalanche Discrete Diodes up to 20KV
- Hermetic Surface Mount High Voltage Diodes
- Rectifier Assemblies up to 200KV
- High Voltage OPTO Couplers
- High Voltage Bridge Rectifiers
- High Voltage Power Supplies
- Surface Mount High Voltage Multipliers
- Voltage Multiplier Assemblies
